the multiple cultures and issues facing the Micronesians; increase the availability of technical assistance necessary to develop HIV prevention and interventions that are culturally and linguistically appropriate; address the inter-island migration and travel and how that impacts HIV prevention efforts.

Strategy:

Identify funds to support travel and cultural competent HIV prevention training.

Time Frame: September 2002 and 2003.

Performance Measures:

AAPI capacity building providers funded through HIV prevention cooperative agreements.

Funding/Activity Type:

N/A, B/Continue expansion and enhancement of current funding under PA 0005, Capacity Building Assistance.

Lead Entity and Contact Person:

Valerie Richmond-Reese, Public Health Analyst, Batuibak Center for HIV, STD, and TB Prevention, 1600 Clifton Road, N.E., MS E-07, Atlanta, Georgia 30333, Telephone: (404) 639-8996, Facsimile: (404) 639-8629, Electronic mail: var1@cdc.gov.

Monitoring Official:

Victoria Rayle, Project Officer, CDC, 1600 Clifton Road, N.E., MS E-07, Atlanta, Georgia 30333, Telephone: (404) 639-4274, Facsimile: (404) 639-0943, Electronic mail: vrayle@cdc.gov.

Objective 3:

Facilitate linkages into the Asian and Pacific Islander Communities to provide technical assistance and training on culturally competent and linguistically appropriate breast and cervical cancer screening program.

Strategy:

Provide funding to Asian American and Native Hawaiians and Other Pacific Islanders (AA & NHOPI) organizations.

Time Frame: September 2002 and 2003 (project period September 2002-2005).

Performance Measures:

The effectiveness of health delivery services improved as evidenced by increased screening rates by AA&NHOPI women.

Funding/Activity Type:

\$806,431, A/Cont.

Lead Entity and Contact Person:

Kimberly Sledge-Clay/Thelma Sims, National Center for Chronic Disease Prevention and Health Promotion, 4770 Buford Highway, MS K-42, Atlanta, Georgia 30341, Telephone: (770)488-6458m Facsimile (770) 488-5962, Electronic mail: kts3@cdc.gov / tfs4@cdc.gov.

Monitoring Official:

Kevin Brady, Division of Cancer Prevention and Control, Office of Program and Policy Information, 4770 Buford Hwy, MS K-53,

Atlanta, GA 30341-3717, Telephone: (770)488-4751.

Objective 4:

and implement a model based on scientific evidence for preventing sexual and intimate partner violence among college-aged Asian American women.

Strategy:

Through the National Asian Women's Health Organization, the program will help the Asian American women build leadership skills and empower them to engage in healthy, non-violent relationships and to advocate for change in responding to sexual and intimate partner violence.

Time Frame: September 2002 and 2003 (project period FY 2001 to FY 2005).

Performance Measures:

A model based on scientific evidence for preventing sexual and intimate partner violence among college-aged Asian American women developed and implemented.

Funding/Activity Type:

N/A, B/Cont.

Lead Entity and Contact Person:

Thomas Blakeney, Deputy Director Operation, National Center for Injury Prevention and Control, MS K-61, Atlanta, Georgia, Telephone: (770) 488-1481, Facsimile: (770) 488-5509, Electronic mail: teb2@cdc.gov.

Monitoring Official:

Thomas Blakeney, Deputy Director Operation, National Center for Injury Prevention and Control, MS K-61, Atlanta, Georgia, Telephone: (770) 488-1481, Facsimile: (770) 488-5509, Electronic mail: teb2@cdc.gov.

Objective 5:

This project uses Native Hawaiian values, beliefs, and practices to address intimate partner violence and sexual violence among Native Hawaiian perpetrators and victims.

Strategies:

- a. Through the Turning Point for Families, Inc. Hilo, Hawaii, develop, implement, and evaluate a culturally competent intimate partner violence and sexual violence intervention among Native Hawaiian perpetrators and victims.
- b. Decrease the incidence, severity, and types of violence perpetrated by Native Hawaiian men against their intimate partners and family members.
- c. Enhance self-care and agency among Native Hawaiian women who experience violence.

Time Frame: September 2002 and 2003 (project period FY 2001 to 2005).

Performance Measure:

The incidence, severity, and types of violence decreased; a culturally competent intimate partner violence and sexual violence intervention developed and implemented.

Funding/Activity Type:

N/A, B/Cont.

Lead Entity and Contact Person:

Thomas Blakeney, Deputy Director Operation, National Center for Injury Prevention and Control, MS K-61, Atlanta, Georgia,
Telephone: (770) 488-1481, Facsimile: (770) 488-5509,
Electronic mail: teb2@cdc.gov.

Monitoring Official:

Thomas Blakeney, Deputy Director Operation, National Center for Injury Prevention and Control, MS K-61, Atlanta, Georgia,
Telephone: (770) 488-1481, Facsimile: (770) 488-5509,
Electronic mail: teb2@cdc.gov.

Objective 6:

Replicate and disseminate cultural competency training on breast and cervical cancer in Asian women for a broad base of health care providers.

Strategies:

- a. Provide funding through cooperative agreement to the National Asian Women's Health Organization (NAWHO) to replicate and disseminate cultural competency training on breast and cervical cancer in Asian women for a broad base of health care providers, allied health personnel, and other personnel employed by community based organizations.
- b. NAWHO will develop and implement training material entitled "Communicating Across Boundaries."

Time Frame: September 2002 and 2003.

Performance Measures:

- a. Awareness, knowledge, and cultural competence of health care providers increased; capacity of cancer control programs and general awareness in Asian American communities regarding breast and cervical cancers increased.
- b. Training material entitled "Communicating Across Boundaries" developed and implemented.

Funding/Activity Type:

\$416,918 to NAWHO, B/Cont.

Lead Entity and Contact Person:

Kimberly Sledge-Clay/Thelma Sims, Program Analyst, National Center for Chronic Disease Prevention and Health Promotion, 4770 Buford Highway, MS K-42, Atlanta, Georgia 30341,
Telephone: (770) 488-6458, Facsimile: (770) 488-5962,
Electronic mail: kts3@cdc.gov/ tfs4@cdc.gov.

Monitoring Official:

Kimberly Sledge-Clay/Thelma Sims, Program Analyst, National Center for Chronic Disease Prevention and Health Promotion,

4770 Buford Highway, MS K-42, Atlanta, Georgia 30341,
Telephone: (770) 488-6458, Facsimile: (770) 488-5962,
Electronic mail: kts3@cdc.gov / tfs4@cdc.gov.

Objective 7:

Reduce infant mortality by county and ethnicity among AAPIs in Hawaii.

Strategy:

Develop culturally appropriate and community-based intervention strategies to reduce infant mortality disparities by county and ethnicity among AAPIs in Hawaii.

Time Frame: September 2002 and 2003.

Performance Measures:

No more than 5 infant deaths per 1,000 live births.

Funding/Activity Type:

\$50,000, B/Cont.

Lead Entity and Contact Person:

Kimberly Sledge-Clay/Thelma Sims, Program Analyst, National Center for Chronic Disease Prevention and Health Promotion, 4770 Buford Highway, MS K-42, Atlanta, Georgia 30341, Telephone: (770) 488-6458, Facsimile: (770) 488-5962, Electronic mail: kts3@cdc.gov / tfs4@cdc.gov.

Monitoring Official:

Kimberly Sledge-Clay/Thelma Sims, Program Analyst, National Center for Chronic Disease Prevention and Health Promotion, 4770 Buford Highway, MS K-42, Atlanta, Georgia 30341, Telephone: (770) 488-6458, Facsimile: (770) 488-5962, Electronic mail: kts3@cdc.gov / tfs4@cdc.gov.
